The publisher of the NEW AMERICAN is now read to announce a forth-coming NEW VULUMR of M work. The changes and improvements spoken of heretofore, as in prospect, are now matured, and will ap It have been appointed and quantited as Executors of pear in connection with the issues for the coming year the last Will and Terisment of Hugh Downing, Dec. | One striking feature of the work in its new form, wi One striking feature of the work in its new form, will be its scaption to make, when bound, a perfect and beautiful Book. This is accomplished by dispensing with the monthly recurrence of dates, Magazine head ings, and all temporary reading matter; such as monthly news items, business talk with subscribers, &c., leaving the entire work to be occupied with engravings and reading matter of the most select and enduring character.

Another will be the high tone, stirring character, and legance of its Literature. Many of the ablest pens of the country are enlisted to turnish original articles, to which will be added, occasionally, selections from among the most rare and interesting productions of the American and Foreign Press. The Letter-press and Engravings to be of the highest order—the latter alone,

for the year, will be worth the price of the volume. Our volume opens properly with Japuary ; but nelther its matter nor appendage of dates will confine its commencement to any particular month. Subscribers, therefore, commencing at any time during the year, may eccive each of the numbers making the Annual for 1855. The first number, or Part I, answering to January, is already published Part II will also be ready before the close of December. Subscribers, Agents, and persons desiring specimers, may therefore be furnished with Part I immediately. We will send single numbers as specimens to any one remitting us 5 P.
